Erie metal roofs reddit

The team was friendly and accommodating. The new metal roof not only looks great but also provides better insulation. Definitely would recommend!Date of experience: November 09, 2024Hi, Donald. Are they really worth it? ☐ ☐ ☐ Best for:✓ Homeowners who plan to stay long-term (40+ years),✓ Those who want a stylish, durable metal roof with traditional aesthetics.✓ Homes in high-wind or storm-prone areas (metal withstands extreme weather better),✓ People looking to boost home resale value. If you've been researching, you've probably come across Erie Metal Roofs. When they left, the clean-up was so good you could not tell they had ever been here. Even after leaving a review on any given site, I'm still getting requests.Date of experience: January 30, 2025Hi, Edward. Earl Roofing is not cheap but the quality of the roofing material and workmanship was worth it. We truly appreciate it!Quality products, quality work and helpful sales people. On a scale 1-10. I highly recommend using Erie for your new roof!Date of experience: March 26, 2025The crew was on time. Super impressed with Erie's products and personnel. Outstanding warranty. I once saw a homeowner's energy bills go UP after switching to metal—because the installer didn't adjust the ventilation system. This is a company that truly takes pride in its work and it shows.Date of experience: March 25, 2025Hi, Kendall. Removal of old asphalt shingles and installation of new metal roof was done in one day! Cleanup was immaculate - never know there was even a construction job that happened. Very Timely. I highly recommend this company!Date of experience: March 04, 2025Hi, William. Extremely fast. Their roofs are designed to mimic the look of traditional shingles, tiles, and shakes while offering the durability of metal. The crew started at 7 am and by 9:15 pm they were driving out out of the driveway. The work they did was thorough and efficient. I am satisfied with their services. Just be ready for the higher cost and do your homework on the installation team—because even the best materials won't hold up if installed poorly. And most importantly—will you regret your decision later? The materials used are top-notch and the installation was done flawlessly. Estimated Cost Per Square Foot Material Type Cost Per Sq Ft (Installed) Total for 2,000 Sq Ft Roof Erie Metal Roof (Steel) \$8 - \$15 \$16,000 - \$30,000 Asphalt Shingles \$3 - \$6 \$6,000 - \$12,000 Standing Seam Metal Roof \$10 - \$18 \$20,000 - \$36,000 Clay or Slate Tile \$15 - \$25 \$30,000 - \$50,000 Important Note: Erie's pricing includes materials, labor, and warranty coverage, but the final price depends on: Roof complexity (steep pitches cost more) Location (higher labor costs in urban areas) Additional features (gutters, skylights, insulation upgrades) My Experience Installing Metal Roofs: What I Learned I've installed metal roofs for over a decade, and I've made mistakes along the way. The work was completed in one day. The team was professional, skilled, and completed the project efficiently. They got rid of the two rotating vents that would make this irritating noise. Date of experience: December 21, 2024Hi,Mj. We are thrilled to learn that you had a positive experience with us! Reddit and its partners use cookies and similar technologies to provide you with a better experience. Pros & Cons of Erie Metal Roofs Pros: Why Erie Metal Roofs Are a Good Choice ✓ Excellent Durability - Can last 40-70 years with minimal maintenance.✓ Energy-Efficient - The reflective coatings reduce heat absorption, keeping your home cooler.✓ Weather Resistance - Handles wind, rain, hail, and even fire better than asphalt shingles.✓ Stylish Options - Unlike plain metal roofs, Erie offers designs that look like slate, tile, and wood shake.✓ Resale Value - A high-quality metal roof can boost home value and attract buyers. Date of experience: March 27, 2025Hi, Don. I would recommend them to anyone thinking about replacing their roof!Date of experience: April 07, 2025Hi, Rebecca. Vary impressed with underlayment materials as well as the actual roofing material. The new metal roof has enhanced the overall look of my house. Would recommend them highly!Date of experience: February 21, 2025Hi, Marsha. We truly appreciate it!! see alot of 5 stars for communication! 5 Mexican men that couldn't speak English showed up to put my foof on! I had no way to talk to them! They left a mess for me to clean up! Run don't walk away from this company! Over 3 grand you would think your getting quality workmanship!Date of experience: April 07, 2025Hi, Danny. If you want a premium metal roof with classic aesthetics, Erie is a solid choice. FAQs: What People Ask About Erie Metal Roofs Q1: Do Erie Metal Roofs rust? No, they are galvanized steel with a protective coating, making them resistant to rust. Energy Efficiency - Reflects heat, reducing cooling costs in hot climates. Erie Metal Roofs is a well-known brand specializing in residential metal roofing systems. They bring a dumpster and do all the clean up as well. They did a great job on my roof, the crew was very polite and cleaned up everything when they were finished. The problem? Mistake #2: Skipping Ventilation Metal roofs trap heat if the attic isn't properly vented. A day. I would definitely choose them again for future roofing needs. I've also made mistakes (like trusting flashy marketing instead of digging into the details). Not only were they still in the mid range for quotes on getting our entire roof done on an emergency basis but they do all they can to help you w the cost. These words go a long way, it motivates us to work even harder, thank you for the review!Pricey but worth the value. Everything was well explained.Date of experience: March 27, 2025Hi, Juan. Q2: How long do Erie Metal Roofs last? 40-70 years with proper maintenance—more than double the lifespan of asphalt shingles. Interlocking Panels - Reduces leaks and enhances wind resistance. Great customer service.Date of experience: February 24, 2025Hi, Marlene. Not only did they rush it,they explained everything, and did everything how they explained it. We truly appreciate it!The roof looks great and they were able to install it very quickly. This guide will give you the real deal on Erie Metal Roofs—what they do well, where they fall short, and whether they're the right choice for your home. Stone-Coated Finish - Reduces glare, improves aesthetics, and protects against weathering. My wife was very happy with the entire event. Amazing!No nails!!!!Polite work crew. Roofs look great.Date of experience: March 21, 2025Hi, Diane. Erie Home did an outstanding job. The passion and education they have in what their company offers is exceptionally impressive. We are thrilled to learn that you had a positive experience with us!Erie did a great job! The crew worked very hard, steadily, and completed the job in a timely fashion. The installer skipped the insulation upgrade. I enjoyed working with this agency and will almost certainly call on them again for my next project. I'm very pleased with the outcome. NOT for: Budget-conscious homeowners (asphalt shingles are much cheaper). DIYers (requires professional installation). People who need a quick, low-cost roofing solution. Lesson Learned: Always check the contractor's experience with metal roofs. The guys were very respectful & knowledgeable. The craftsmanship and materials are top-notch, and I truly feel like I made the best possible choice with Erie Home. I couldn't be happier with the end result and highly recommend them to anyone in need of a new roof. But they did finish it the next rainfree day. Their work crew cleaned up all of the debris. We are thrilled to learn that you had a positive experience with us!From start to finish the communication, work, and clean up were top notch. Cleaned up nicely. We are thrilled to learn that you had a positive experience with us!Excellent service, professional crew that cleaned up exceptionally well, finished in 1 day.Date of experience: April 01, 2025Hi, Kerwinn. AI & Design interior design styles My experience with Erie Home was great! All communication was professional and friendly.They really worked to match my budget and answer any of my questions.Then the crew came out and had the roof replaced much faster than I would have expected. These words go a long way, it motivates us to work even harder, thank you for the review!Erie did a great job waterproofing our basement. I would highly recommend them.Date of experience: March 17, 2025Hi, Dean. They did an amazing job and my new metal roof looks stunning. In fact there were no nails found on the ground! The roof job looks awesome and the clean up was perfect. They also gave us the option, once the snow banks melted, to have them back out to check and clean a secondary time around the house in case anything was missed. We are thrilled to learn that you had a positive experience with us!Excellent work. Limited Lifetime Warranty - Protects against material and manufacturing defects. Yes Yes No No Warranty Lifetime 50 Years 40-50 Years Style Options Shingle, Tile, Shake Shingle, Tile, Shake Smooth Panels Vertical Panels Cost \$\$\$ \$\$\$ \$\$\$\$ Noise Control Good Good Poor Poor Takeaway: Erie Metal Roofs are comparable to Decra, but cost more than aluminum systems like Classic Metal Roofing. We need a roof really bad. It was done on time. The quality of their work is fantastic and the team was friendly throughout the process. You won't go wrong choosing Erie Homes for your next roof. The new metal roof has greatly improved the value of my property. By rejecting non-essential cookies, Reddit may still use certain cookies to ensure the proper functionality of our platform. The new metal roof I got looks great and is holding up well. Highly satisfied! Metal roofing is one of the best investments you can make for your home—long-lasting, durable, and energy-efficient. Other Brands How does Erie compare to other leading metal roofing brands? Not just to me, but to others as well. The colors and patterns are lovely and match the color of my house. Lesson Learned: If you install a metal roof, make sure your ventilation is upgraded to prevent heat buildup. We are thrilled to learn that you had a positive experience with us!There's a reason this company has maintained an A+ rating w 5 stars for decades...because they're GOOD! Absolutely stellar in every way. They answered ALL my questions and did all the work in about half a day. But here's what you really need to know: Erie Metal Roofs are premium-priced, and while the materials are solid, the installation quality varies depending on the contractor. Q3: Does a metal roof make a house hotter? No—Erie Metal Roofs have reflective coatings that reduce heat absorption, making them more energy-efficient than asphalt shingles. Bottom Line: Erie Metal Roofs are expensive but built to last—if you're in it for the long haul, it's an investment worth considering. Date of experience: March 12, 2025They did an excellent job. This can make or break your experience. These words go a long way, it motivates us to work even harder, thank you for the review!Excellent company...completed the job on time and did a wonderful job cleaning up. They completed as promised, had our roof completed in 3 days. The service provided by ERIE METAL ROOFING was top-notch. Roger was the rep that came to our home. I would give them a 100! They are great. The guys were very hard workers.Date of experience: April 04, 2025From the explanation of the product to the final clean-up of my yard, all was excellent! Erie really does an excellent job & has a superior product! I would & will recommend them to all in need!Date of experience: March 31, 2025Loved working with Erie for my new metal roof.
