Blue Diamond Resort has extended the current medical care coverage program to 31 December 2021 for guests travelling to one of our destinations from the United States. Full medical care Thanks to our partnership with MAS Services, all guests arriving from the United States can benefit from an extended medical care cover to cover the cost of any accidents or diseases, including COVID19 related medical needs during the holidays. The cover can be shared by up to four travelers and includes, but is not limited to, medical care for accidents, outpatient drugs, emergency medical transportation, assistance to locate lost or stolen luggage, 24 hour legal assistance, travel inconvenience and more. For further information, please contact Viral Antigen Testing We would also like to remind you that our current COVID-19 free on-site viral testing coverage program remains until 31 December 2021, for guests travelling by air from the United States to Cancun, Punta Cana, Costa Rica and Jamaica. Note that reservations should have a minimum duration of 3 nights to receive this service for free in Jamaica, Costa Rica and Cancun. Punta Cana currently does not require a minimum stay. The test will be carried out by a doctor in a designated area of the resort, and we strongly encourage guests to schedule their appointment upon arrival to the facility through our guest service team due to high demand. The test results will be available on the same day and will be delivered to the guest room or available at the reception. "The nearest airport is Cancun Intl.
