Description Product Details Christmas Delivery Click on the cover image to read some pages of this book! A year-long journey in a breathtaking dream landscape, where a lush and distant world awaits you. There, a winged fairy and her faithful Pegasus fly over land and sea. A nymph ascends to a midnight sky alongside an ascending Phoenix. The ethereal sirens fearlessly face the breaking waves. And a warrior king and queen fight a dragon that throws fire. See yourself with an original painting each month, plus an impressive bonus central page, from the team of husbands and wives of Boris Vallejo, America's most important fantasy artist, and Julie Bell, internationally award-winning fantasy and wildlife artist. With more than 2.7 million copies sold, it is one of the favorites among the devotees of fantasy.
