Seene, who becomes the hands of the ensembles, drains from the force or force of the ANIE, and has Dominion Domain over the legions of DIVELS. I felt like I was still finding out. Well, then, I hate being you, because Valak will probably ruin your life. The director has even stated that at least Valak has nothing to do with Amityville. And the word has it that Valak was introduced to try to create a bridge, film-wise, between Amityville and Enfield. He appears as a child with angel's wings and riding on a ^ two-headed drag.
