For technical assistance, please contact Wolters Kluwer Technical Support. Lippincott Procedures helps nursing and allied health staff achieve clinical excellence, with access to the latest evidence-based clinical information right at the point of care. As part of the Lippincott Solutions suite, Lippincott Procedures gives nursing staff the guidance they need to mitigate risk, reduce variability of care and maintain consistent compliance. Lippincott creates and sustains a culture of clinical excellence. With Lippincott Procedures, direct-care staff can easily find and reference skills and procedures for safe practice. Preceptors can perform skills checklist evaluations right at the bedside by using a mobile device. And nurse educators can streamline communication, record keeping and assignment reviews. Learn how Lippincott Procedures can help you to deliver a safe, consistent, patient- and survey-ready environment with 2,200+ evidence-based, step-by-step nursing procedures and skills. Latest Expert Insights for nursing leaders Lippincott is leading the digital evolution of medical journals for societies, authors, and advertisers, helping them to create compelling reader and audience engagement opportunities with multimedia and interactive content.
