ROM MD5: edf021b521a496fe7afc5e15949f5c80 You can download the Analogue Pocket IPS patch here. Grand Theft Auto This patch converts Grand Theft Auto (U) to the .pocket format. ROM MD5: 3322493d6b7a70bdfeaf68231ceb1ce0 You can download the Analogue Pocket IPS patch here. For my workflow, to generate the .pocket file, the ROM is first decompiled with mgbdns and then recompiled with rbgds after patching the above issues and whatever else pops up. Rats This patch converts Rats! (U) to the .pocket format. Motocross Maniacs 2 This patch converts Motocross Maniacs 2 (U) to the .pocket format.
