Some of these services provide audio, PDF and book infographics. If this is not enough, some of these book apps and subscription services also offer links to videos, reports and TED interviews for books, as well. Some of these services provide audio, PDF and book infographics. If this is not enough, some of these book apps and subscription services also provide links to videos, reports and TED interviews for books as well. YouTube Channels offering book synthesis If you prefer not to read a book summary, there are many YouTube channels that offer online book summaries. These "YouTubers" select a book, the information on it, provide insights, highlight reviews on it, and synthesize its plot. Some of these channels follow a specific niche topic while others are about books in general. Searches or Special Interest Book Summary Websites For those who need a summary of a book covering a topic of research or special interest, there are dozens of book summary websites that focus specifically on this. While you can't find a brief summary of Hamlet, you will see the summaries of religious books, books summaries for health-related topics, or business books topics. Students looking for Summaries Book Students are constantly looking for a summary of books for research purposes, as well as for books that need to be read for classes. For example, they may need a summary of Roberts' rules or a simple Macbeth summary to help them write a search document, and a book summary website will help them achieve that.
